

JSO'S ONLINE CRIME MAPPING PROGRAM REFERENCE GUIDE

The goal of JSO's new online crime mapping program is to inform the citizens of Jacksonville about criminal incidents throughout the community. The application has been filtered to exclude sex crimes, child abuse and other crime information protected by statute or reported by other agencies.

ACCESSING THE JSO CRIME MAPPING SITE

- To get started open up an Internet browser and go to www.jaxsheriff.org
- Click on *Crime Statistics/Crime Mapping* on the left hand side of the page.
- You will be directed to the *Uniform Crime Reports & Online Crime Mapping* page. Under the *Map Crime* section click the link to go to the mapping program.
- A disclaimer page will appear. You must read and accept the terms to proceed to the site.
- After you click accept, the application will open.

(front page)

USING THE JSO CRIME MAPPING SITE

- **Step 1: Select Crime Type**— Click on folders to select the entire group of crimes or expand the folders to choose from specific crime types.
- **Step 2: Select Location**— Select a geography type and specific locations will appear to the right. You can also define a search radius around the selected location.
- **Step 3: Select Date/Time**— You can choose specific dates and times by using a calendar or standard drop down values.
- **Step 4: Update Map and View Results**— Click on the *Update Map* tab to display the map. Incidents will appear on the map as icons. Click on the *Identify* button and select an incident to find out more about that case.
- **Reports/Graphs**— This program allows you to produce reports and graphs for the geographic areas that you chose in Step 2.
- **CyberWatch Setup**— The *CyberWatch* tab allows you to setup automatic email alerts. A search radius can be designed to include areas around a particular location. **Note:** Selecting all crime types with a 1-mile radius may produce considerable email traffic.

For a detailed *Tutorial Guide* please go to www.jaxsheriff.org, select *Crime Statistics/Crime Mapping* on the left hand side of the page. Then select the mapping program link and see #2 on the Disclaimer page.
