### CUSTOMER INSTRUCTIONS & PRECAUTIONS

Contact Treated Areas - Do not allow unprotected persons, children, or pets to touch, enter, or replace items or bedding, to contact or enter treated area(s) until dry.

Ventilation/Re-Occupying - Vacate & keep area(s) closed up to 30 minutes after treatment, then ventilate area(s) for up to 2 hours before re-occupying.

Equipment/Processing/Food - Thoroughly wash dishes, utensils, food preparation/processing equipment & surfaces with an effective cleansing compound & rinse with clean water, if not removed or covered during a treatment. The area should be odor free before food products are placed in the area.

Exterior Applications (baits) - Do not allow grazing of feed, lawn, or sod clippings by livestock after bait applications.

Do not burn treated firewood for 1 month after treatment.

We value your business and your continued loyalty and as your Service Professional, I am proud to go Beyond the Call and provide you with uncompromised service. You may notice a slight increase with the cost of your ongoing service. We continue to manage our costs to keep our prices as low as possible, however it was necessary for us to implement this nominal increase at this time. Thank you for trusting us to protect your home and family.
