Re: Argyle Forest Blvd. Seg. 2
Southwood at Watermill Blvd. South Entrance

Dear Mr. Cassidy:

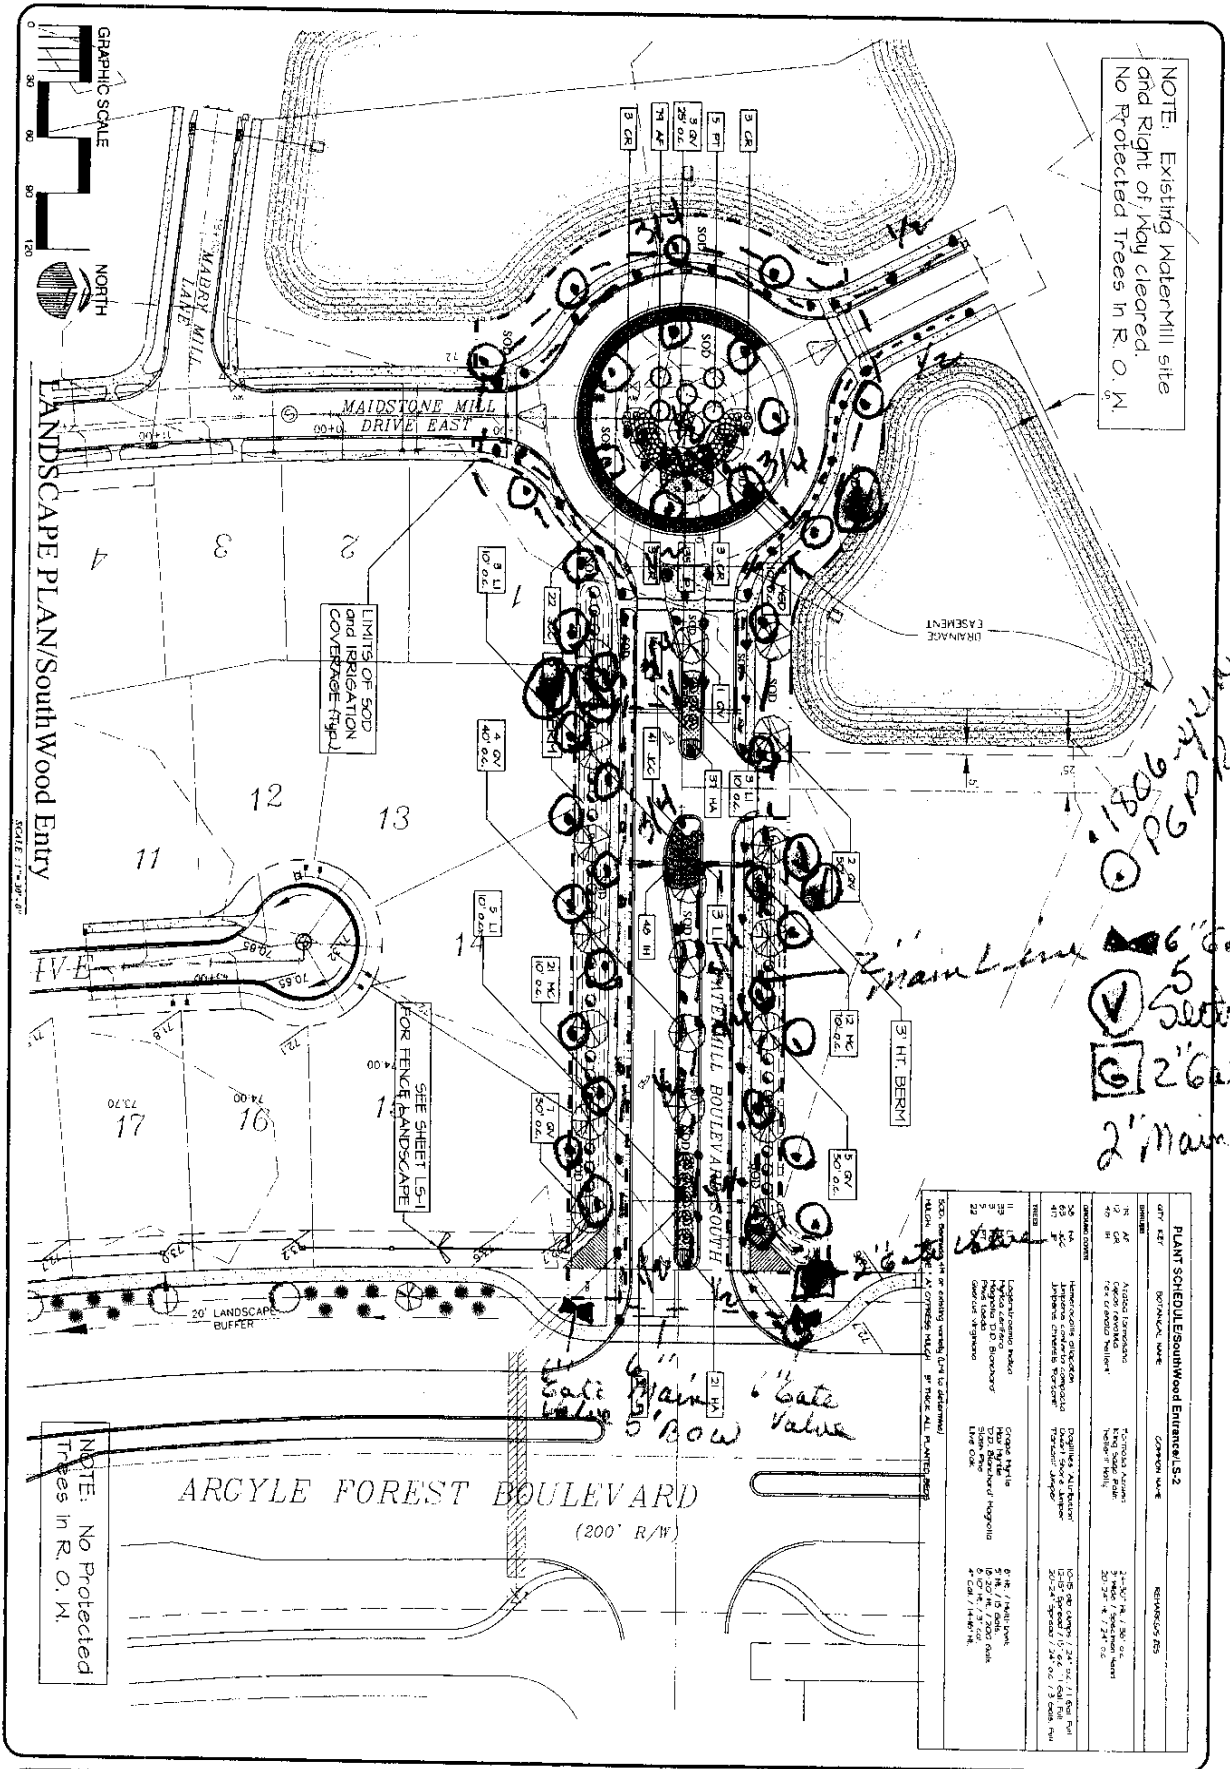

I have reviewed the drawings for the above mentioned project. The subdivision in question is outside of the area of work for Segment 2 of Argyle Forest Blvd. The proposed work will not be in conflict with our project.

If you have any questions please call me.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Izquierdo". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
